## Exhibitor Categories

① Please tick your planned exhibitor category.

- Upstream Zone**
- Middlestream Zone**
- Downstream Zone**
- USE of Forest Resources**
- Biomass Expo**
- All-round**

② Please tick details that correspond to planned exhibitor category.

**UPSTREAM**

- Planting/Afforestation technology
- Sapling production
- Forest measurement/Surveying technology (drones/airborne lasers, etc.)
- Forest GIS/Simulation technology
- Wildlife damage control
- Raw material production
- Forest management
- High-performance forestry machinery
- Maintenance of forest road network
- Logging haulage
- Log and chip supply
- Consulting for forest management/Local governments/Companies
- Forest certification
- Overseas forestry
- Securing project areas (work history management/forest management planning/sales activities)
- Other ( )

**MIDDLESTREAM**

- Lumber/Sawmill machinery
- Understanding & control of resources
- Wood processing/Wood processing machinery
- Surface treatment
- Laser processing
- Plywood
- Distribution/Logistics
- Weight measurement
- Drying technology
- Shredders/Crushers/Chippers/Pelletizers
- Measurement/Analysis technology
- Other ( )

**DOWNSTREAM**

- Precious wood
- CLT (Cross-laminated timber)
- Small hydro-electric generation
- Sixth industrialization
- Carpentry/Construction store related
- Furniture/Wood products
- Carpentry timber
- Aroma
- Game (gibier)
- Timber construction (fire-resistant/semi-fire-resistant building)
- Fire-resistant/Durability technology
- Decay prevention technology
- Other ( )

**USE of FOREST RESOURCES**

- Education with trees
- Forestry experiences
- Eco-tourism/Medical tourism
- Forest treatment
- Certified lumber sales companies/Suppliers
- Local governments/Producers/Poerstry businesses/Land owners who conduct appropriate forest management
- Other ( )

**BIOMASS EXPO**

- Woody biomass generation equipment
- Woody biomass generation supply devices
- Woody biomass boilers/stoves
- Resource/Combustion analysis
- Woody biomass fuel
- Generation technology
- Plants/Furnaces
- Heat utilisation

- Design/Engineering
- Biomass industry cities
- Woodchips
- PKS
- Palettes/Firewood/Chip fuels sales
- Other ( )

**ALL-ROUND**

- Supply chain management
- ICT/IoT/AI/BIG DATA utilisation
- Automation technology
- Traceability
- Personnel training/Women's active participation
- R&D (power assist suits, etc.)
- Forest investment trusts
- Other ( )
